

# Software Updates for Current TAI Products

Welcome to the all-new Talent Assessment, Inc. website! We are excited to share with you a few new downloads to help keep your TAI Products up-to-date and running smoothly! As a current TAI Product owner, you can now download the following tools directly from the TAI website following just a few simple steps:

## Available For Download

### TAI Updater

**\*\*NO REGISTRATION REQ'D FOR DOWNLOAD\*\***

The TAI UPDATER program will search your computer for any TAI software, and will make any available updates to all TAI programs installed on your computer.

**Installation Instructions:** Click "Download" and wait for the download to complete, then double click the "TAI\_Software Updater\_Installer.msi" and follow the prompts.

### PAES® PI Parts Depot

**\*\*PI Flash Drive Replacement\*\***

The PAES® PI PARTS DEPOT program will install the simulated TAI Website for PAES® PI jobs. This program replaces the former live website with a stand-alone simulated website. Internet access is not required to run this simulated website.

**Install Instructions:** Once you have downloaded the .zip file (follow step-by-step instructions to the right), open the folder and double click "PAES\_PI\_Parts\_Depot\_2.1\_Installer.msi" file and follow the prompts.

### PAES® 9.1 Scoring

PLEASE NOTE: WE ARE NO LONGER BE SUPPORTING ANY PREVIOUS VERSION OF THE PAES® SOFTWARE.

**Install Instructions:** Once you have downloaded the .zip file (follow step-by-step instructions to the right), open the folder and double click the "PAES\_Scoring\_9.1\_Installer\_2<sup>nd</sup>\_Edition.msi" and follow the prompts.

## Step - by - Step

1. Register your PAES® Lab using the form on the software updates page of the website.  
[www.talentassessment.com](http://www.talentassessment.com)
2. Once approved, you will receive an Access Code that you will use for all future PAES® downloads. This will come via email to the email address used for registration.
3. Enter the email address and access code for the item you wish to download.
4. Click "Click to Download" to begin download.

All downloads come in .zip files. Once downloaded, open the .zip file to access the installer associated with your download and follow the installation instructions to the right that is specific to your download.

## SOFTWARE UPDATES

### Available For Download

#### PAES® Computer Tech Update

Full update of the Computer Technology component of the PAES® lab.

**Install Instructions:** Once you have downloaded the .zip file (follow step-by-step instructions to the right), open the folder and double click “PAES\_Computer\_Tech\_2015.msi” to install. This will install a folder on your desktop. Open the folder and refer to the instruction file for full implementation

#### PAES® Computer Supervisor Master

**\*\* Computer Master and IM4 Flash Drive Replacement\*\***

Contains 8 folders with files for all of the Computer Technology jobs. Use these files to restore student computers to default.

**Install Instructions:** Once you have downloaded the .zip file (follow step-by-step instructions to the right), open the folder and double click “PAES\_Computer\_Master\_2017.msi” and follow the prompts. This will put a folder on your desktop that includes the master files.

#### PAES® Email Program

**\*\*Email Program Flash Drive Replacement\*\***

Simulated email program within the PAES® Program

**Install Instructions:** Once you have downloaded the .zip file (follow step-by-step instructions to the right), open the folder, double click “PAES\_Email\_Installer.exe” and follow the prompts.

### Step – by – Step

1. Register your PAES® Lab using the form on the software updates page of the website.  
[www.talentassessment.com](http://www.talentassessment.com)
2. Once approved, you will receive an Access Code that you will use for all future PAES® downloads. This will come via email to the email address used for registration
3. Enter the email address and access code for the item you wish to download.
4. Click “Click to Download” to begin download of the desired software.

All downloads come in .zip files. Once downloaded, open the .zip file to access the installer associated with your download and follow the installation instructions to the right that is specific to your download.
