

Job Talk®

Providing New Exciting Ways to Learn!

Teaching those that need the most
help!

Job Talk®

MULTIPLE PLATFORMS FOR LEARNING

JOB TALK Units work on all Interactive White Boards – Smart Board, Promethean, Etc.

JOB TALK works on touch screen computers!

JOB TALK Units work on Apple computers running a Windows Emulator Software.

JOB TALK UNITS work on iPads and tablets using Splash Top or other remote desktop applications.

Job Talk®

Individuals can use Job Talk from any computer provided the program is installed on that computer, and that data is routed to a shared database. That database is available to any instructor with a login.

Job Talk[©]

A Unique Approach to Reading and Math

Helps individual tackle the myriad of words and reading found in everyday work and transition.

Teaches by having students hear and/or see key words within the context of the real working world.

Focuses on older students, middle and high school students, as well as adults who function at lower levels of reading and math.

Gives students the opportunity to develop a working adult vocabulary.

Job Talk®

**Job Talk is Relevant to Students
because it teaches essential
language & math skills needed
in everyday work and life.**

Job Talk®

- 

Job Talk®

**Job Talk Works Hand-In-Hand with
Career Development Curriculums.**

**With Job Talk, Individuals learn words
and terms that are essential to their
work and everyday life.**

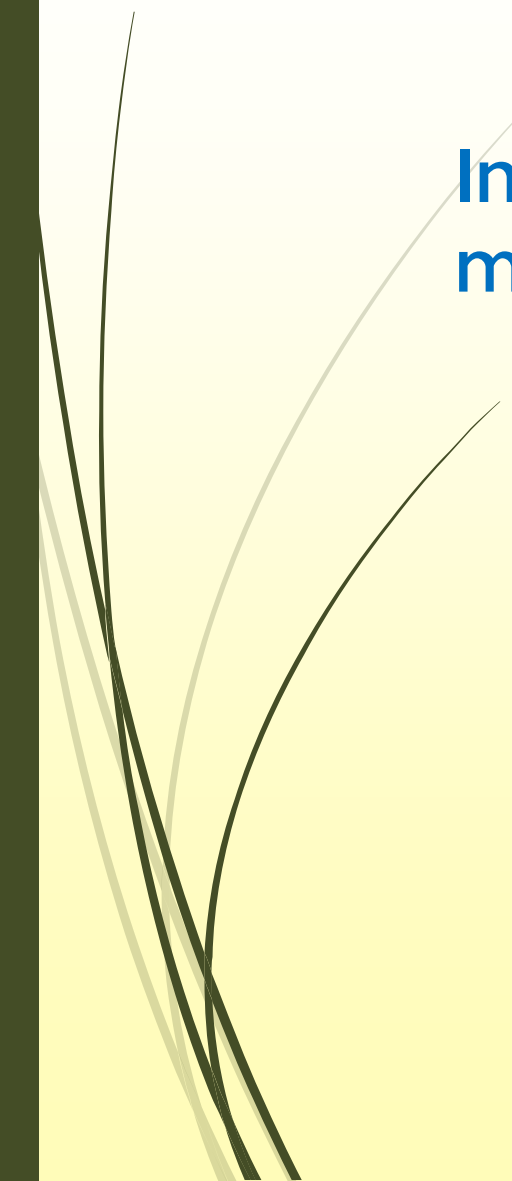

Job Talk®

Merges the Concrete with the Abstract

Individuals Learn to READ the words, but also draw a mental PICTURE of what that word REPRESENTS.

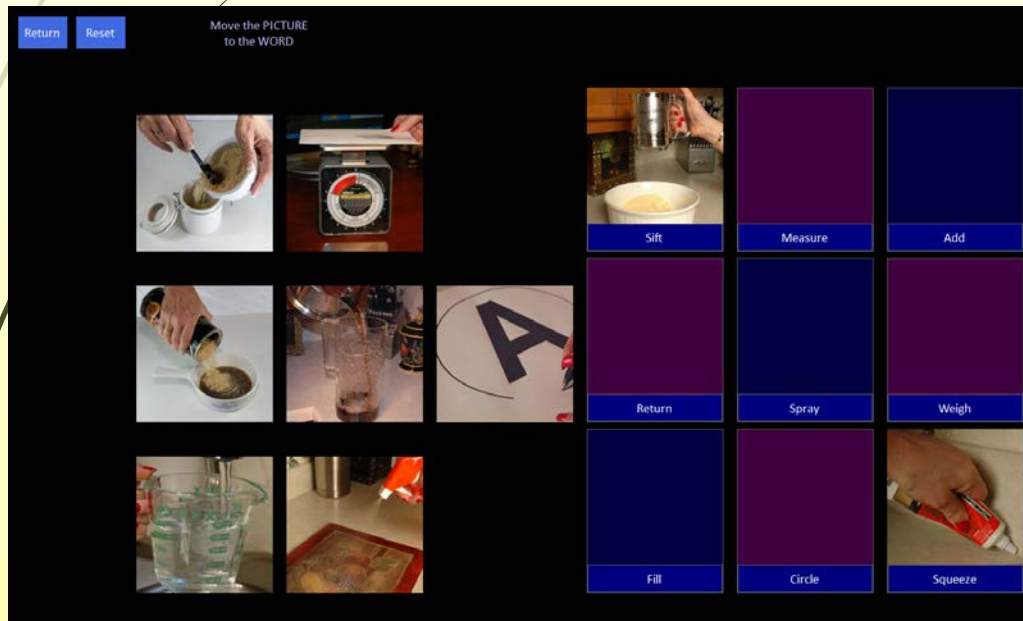

**Job Talk teaches over 900
Words in FIVE Major
Categories**

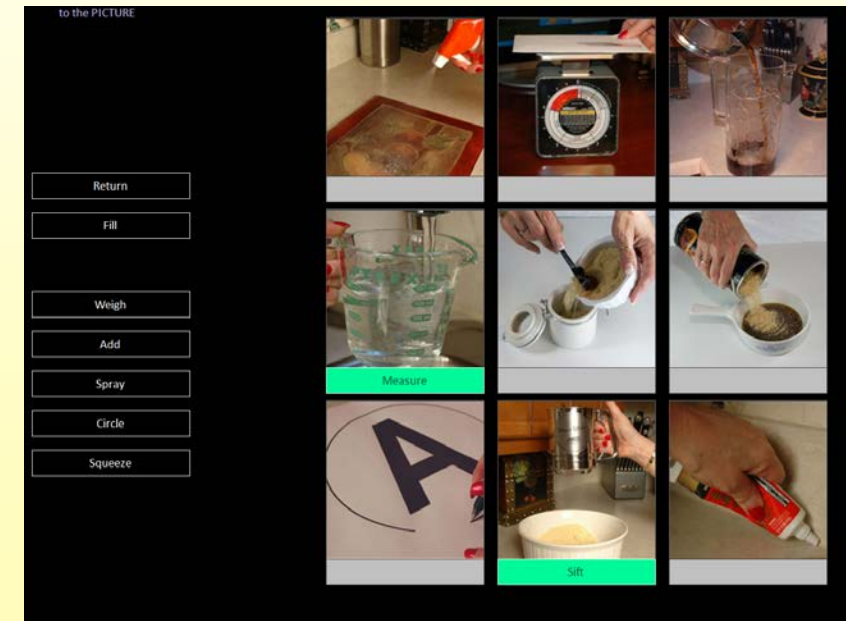

Job Talk[©]

Merges the Concrete with the Abstract

Individuals combine pictures with the written word but also combine the written word with pictures that represent those words.

Picture to Word

Word to Picture

Job Talk®

Many students have a recognition of community words, such as grocery store, gas station, etc. but can't recognize the word within written text.

Job Talk provides the
See It - Hear It - Read It!

Job Talk®

Job Talk is easily integrated into your IEP and Transition Goals.

Performance is documented, cumulative, and retrieved with a keyboard click.

Job Talk®
