

**LINKING INDIVIDUALS TO
COMMUNITY-BASED JOBS**

WayPoint SCP is a comprehensive Transition Planning System that identifies an individual's career capabilities, interests and suitability. It then matches them with job options and community employers with real jobs that match the individual's unique characteristics.

WHAT IS WAYPOINT SCP?

WAYPOINT SCP

- Uses Talent Assessment Program to determine functional vocational aptitudes
- Uses PIC Pathfinder to assess interests in different work areas
- Uses Vocational Implications of Personality to match personality and career path
- WayPoint's Career Management System refines the job search
- Directly link to area employers from WayPoint via the internet
- Detailed Summary of Performance report tracks transitional progress
- Available in PC and web-based versions
