

LETS TAKE A LOOK
AT THE

JOB TALK and LET'S TALK Student Success Chart.

Today's instructors are required to keep **Records** and **Documentation** on individual Student Progress.

If a students has an **IEP**, **Goals** and **Objectives** on performance are a must.

The ***JOB TALK and LET'S TALK IWB Program's*** Student Success Chart provides you with **Comprehensive Documentation** on each Student **Automatically** when ever an Assessment takes place.

The JOB TALK and LET'S TALK Student Success Chart features include:

1. The lesson name.
2. The content of each lesson
3. The stated objectives for that individual student.
4. The chart gives the dates of each assessment.
5. The chart gives the time of each assessment.
6. Instructor's name for each Assessment
7. Number of correct responses for each Assessment
8. Number of missed responses for each Assessment
9. A list of items missed that need working on.
10. Successive assessments are recorded so progress can be monitored.
11. Multiple Lessons can be tracked on the same Success Chart.

Keeping track of your students progress is simple, easy and comprehensive.
