Real Soft Skill Assessment, Training, and Work Exploration

Consumer / Service

Business / Marketing

Processing / Production

Construction / Industrial

Computer / Technology

Each area has a comprehensive set of tasks to perform. The students perform as employees and the instructors as work supervisors. The instructors monitor the tasks and provide feedback and assistance where needed.

Students are encouraged to work toward independence and are rewarded for their progress. Students completing PAES have a thorough knowledge of many job skills and have a better understanding of their place in the real working world.

HOW DOES PAES® OPERATE?

PAES is a Dynamic Curriculum that operates in a simulated work environment. Students become employees; teachers become supervisors. Strict work procedures are followed so students get the feel of real work, at the same time learning and exploring many work areas.

Comprehensive feedback is developed once a Student has finished PAES. This report can easily be used to develop IEPs, Transition Plans, School-To-Work Plans, and Career Development Plans. PAES gives Vital Information about Skills learned and how Best to teach each individual.

WHERE IS PAES® USED?

PAES is used in Middle Schools

PAES is used in High Schools

PAES is used in vast areas of Rehabilitation

PAES is used with 18 Year Olds and Beyond

Proper Work Behaviors are Developed in PAES with Immediate Feedback on Performance

Transitional Outcomes

When Students finish with PAES® teachers know:

- * What work skills a student can actually perform.
- * If students' work skills are competitive with the real working world.
- * What type of special assistance will be needed.
- * What work behaviors are mastered, and which ones need to be developed further.
- * How to write appropriate transition plans based on performance and vital information now available.
- * Portions of Indicator 13 will have been met.
